Pollinator Proposal

For the purpose of research, the creation of pollinator BMPs, and establishing viable legislative proposals regarding pollinators and pollinator habitat:

- No later than July 1st 2016 the secretary of DATCP must submit a pollinator report to the legislature.
 - The secretary of DATCP must develop the report in consultation with the secretary of WDNR.
 - The report must include, but is not limited to:
 - An overview of the status of key pollinator species in Wisconsin and threats to their viability
 - Identification of existing state and federal cost-sharing and grant programs that could be expanded to include pollinator habitat conservation
 - A proposal to efficiently and effectively create and enhance pollinator nesting and foraging habitat in this state
- Direct the Secretary of DATCP, in consultation with the Secretary of WDNR, to develop, to be submitted in conjunction with the pollinator report, best management practices (BMPs), while considering both public and private lands, for:
 - Habitat management to increase and optimize pollinator populations in Wisconsin
 - Pollinator habitat creation and restoration in Wisconsin
 - Agricultural practices that enhance the health of managed and wild pollinators

FUNDING OF REPORT/BMP CREATION

- Provide \$300,000 to WDNR (From GPR) over two years in funding for administrative costs and report activities. This is a onetime appropriation. Under program activities:
 - Create at least 2 but not more than 3 FTE positions for the purpose of conducting research towards the fulfillment of the pollinator report and establishment of BMPs
 - The Secretary may transfer a portion of this appropriation to the Board of Regents of the University of Wisconsin to help develop BMPs, develop knowledge necessary to create BMPs, measure effectiveness of BMPs, or report the outcomes achieved under this paragraph.
- Provide \$300,000 to DATCP (from GPR) over two years in funding for administrative costs and report activities. This is a onetime appropriation.
 - Create at least 2 but not more than 3 FTE positions for the purpose of conducting research towards the fulfillment of the pollinator report and establishment of BMPs
 - The Secretary may transfer a portion of this appropriation to the Board of Regents of the University of Wisconsin to help develop BMPs, develop knowledge necessary to create BMPs, measure effectiveness of BMPs, or report the outcomes achieved under this paragraph.
- Require that DNR include consideration of creation and management of pollinator habitats on state lands management and in property master planning.

2013-2014 DRAFTING INSERT
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-4379/lins
RCT:.....

Analysis insert

This bill requires the Department of Agriculture, Trade and Consumer Protection (DATCP), in consultation with the Department of Natural Resources (DNR), to prepare a report on pollinators, including an overview of the status of important pollinator species in this state and threats to their viability and a legislative proposal for creating and enhancing pollinator habitat. The bill requires DATCP, in consultation with DNR, to develop, and describe in the report, best management practices for the management, creation, and restoration of pollinator habitat and for agricultural practices that enhance the health of pollinator populations. DATCP must submit the report to the legislature no later than July 1, 2016.

The bill also requires DNR to consider pollinator habitat creation and conservation in managing land under its management or control.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
